Dear Sir:

Please accept our thanks for the timely aid of the members of the 244th Radio Relay Squadron who assisted state police at the scene of a fatal traffic accident on Highway 97, ten miles south of Bend, on August 14, 1965.

It has been reported to us that the sergeant in command of your motor convoy and the other members of the group took charge of traffic direction, secured the area against curious spectators and helped to attend the injured.

We are deeply appreciative and offer this commendation for their efforts along with our thanks. Will you please see that the word is conveyed to those concerned.

Yours truly,

Dear Sgt. Keller:

It was very thoughtful of you to write to me concerning my participation in the recent dining in with your squadron. I enjoyed myself thoroughly and only hope that I was able to contribute to the affair in some small degree. Certainly you are to be congratulated for an outstanding event and I feel confident that it was a real contribution to the esprit de corps of what is obviously a very fine organization.

Thanks again for inviting me.

Sincerely yours,
