

Produced and published by the National Geospatial-Intelligence Agency (NGA) in cooperation with the National Security Agency (NSA) and the Department of Defense (DoD). This map is UNCLASSIFIED//NOFORN.

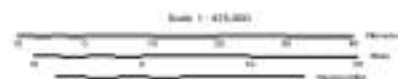

WARNING
This product does not meet primary standards for mapping or navigational purposes. This map is intended for planning purposes only.

This product is derived from Landsat 5 to 7 30m resolution imagery in 3.2.1 World coordinates. Please note: Differences in color represent varying reflectance values due to weather conditions and the time of year the image was collected. This map is UNCLASSIFIED//NOFORN.
